**DECLARATION OF FACTS IN SUPPORT OF FILING ON BEHALF OF
OMITTED INVENTOR UNDER 37 CFR 1.47(a)**

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir or Madam:

1. I, the undersigned, hereby make this declaration as to facts which establish: (a) the diligent effort made to secure the execution of the Combined Declaration and Power of Attorney of the omitted inventor, Dr. Ynjiun P. Wang (the "CDPA"), for the above-identified application (the "Application"), before deposit thereof in the Patent and Trademark Office; and (b) Dr. Wang's refusal to execute the CDPA.

2. The Application is a continuation-in-part of Serial No. 08/493,480, filed June 21, 1995, for which Dr. Wang is a named inventor. The Application describes a portable data collection network with telephone and voice mail capability which implements voice communication aspects contributed by Dr. Wang.

3. By letter dated June 1997, I sent Dr. Wang, through his counsel, a copy of the Application along with the CDPA and associated documents. I requested that Ms. Koesel forward these materials to Dr. Wang for his review and execution. In response, I received Ms. Koesel's letter dated August 27, 1997, a copy of which is attached as Exhibit I. Ms. Koesel stated that she had forwarded the documents to Dr. Wang, but that he could not recall making any contribution to the subject matter of the Application. The CDPA was returned to me unexecuted.

4. By letter dated September 11, 1997, I sent Dr. Wang, through his attorney, evidence of Dr. Wang's contribution to the invention disclosed in the Application, and renewed my request that he execute the CDPA. Copies of this letter and its enclosures are attached as Exhibit II. In that letter, I stated that if I did not receive Dr. Wang's executed CDPA by October 3, 1997, I would consider it a refusal by him to execute that document. In response, I received Ms. Koesel's letter dated September 12, 1997, a copy of which is attached as Exhibit III. In her September 12, 1997, letter, Ms. Koesel stated that Dr. Wang now refused to review the Application or execute the CDPA unless he was reimbursed for his time and legal fees.

5. On September 23, 1997, I sent yet another letter to Dr. Wang's attorney, Ms. Koesel, in an attempt to secure his review of the Application and execution of the CDPA. A copy of that letter is attached as Exhibit IV. In my September 23, 1997 letter, I reminded Dr. Wang that he had no right to his requested payments, and I again stated that if I did not receive his executed CDPA by October 3, 1997, I would consider it a refusal by him to execute that document. In response, I received Ms. Koesel's letter dated September 26, 1997, a copy of which is attached as Exhibit V, in which she stated that Dr. Wang continued to deny that he was an inventor in the Application.

6. As of the date of this Declaration, I have not received Dr. Wang's executed CDPA in connection with the Application.
